Dear Parents

**Internet Safety Talk – Wednesday 27<sup>th</sup> April 2022**

In our PSHE lessons, we do our utmost to make the children aware of the dangers and advantages of using the internet. Although they are becoming more aware of the harm, we believe awareness and support has to come from home too. Therefore, we will be holding an Internet Safety session for parents and guardians.

We have invited The Safety Centre to hold an after school talk on Wednesday 27<sup>th</sup> April at 6.00pm in the Prep School Gym, which will cover the risks associated with social networking, gaming, cyberbullying and what you can do as a parent or guardian to manage these risks and keep your children safe.

Due to the nature of the talk, it is only suitable for adults and NO CHILDREN will be allowed to attend. It begins at 6.00pm and will last approximately 1 hour. I fully recommend that at least one parent or guardian attends from each family. Last time parents were saying how informative it was and we were asked by other parents to hold another.

Please return the slip below to Mrs Anderson to reserve your place on the workshop by Friday 22<sup>nd</sup> April.
