Dear Parent(s)

Re: FORM TWO VISIT TO CHILTERN OPEN AIR MUSEUM

To reinforce our work in History about the Stone Age, the children will be visiting Chiltern Open Air Museum on **Thursday 11th November**. The children will be taking part in practical activities and workshops about different elements of life during the Stone Age.

Children should wear **their P.E. kit** i.e. red sweatshirts, polo shirt and tracksuit bottoms. This is an outdoor trip so if the weather has been wet, then please send them to school in an old pair of trainers/shoes with their PE kit white trainers in a named carrier bag to change into for their return journey. They should also wear their big school coat with their gloves, if required.

Lunch should be in a disposable named bag (no glass bottles or chocolate please) in the school back-pack.

The coach will return by the end of the school day. The cost of the trip is £ 25.50 per child, which will be added to next terms invoice.
